Dear Mr. Becerra,

We appreciated your time and effort in being a presenter at our Alternative Afternoon on November 5, 2002. Your experiences and words of encouragement were well received by all the seventh through twelfth graders. Your ideas and thoughts certainly put a spark in the minds of some to pursue their dreams.

It is now a few months later, and sometimes your name is mentioned when there are discussions about goals and dreams. You definitely made an impact on our students and staff.

We wish you the best in all of your future endeavors. We were sorry that we missed meeting Maud. However, it was a treat to get acquainted with Trudi.

Sincerely,
