Dear Cesar, Maude and Trudy,

Thank you, Cesar and Trudy, for sharing your experiences hiking the Appalachian Trail with our story time children. Youngsters love being around animals and learning about Trudy's adventures during her long walk was a unique experience. Trudy you are such a well manner young lady that we hardly knew when you were here. Pease don't go telling all you friends that you got to go into the Ness City Public Library, as we don't make that exception very often! HA!

The staff here at the NCPL enjoyed getting to know the three of you. Sorry Maude couldn't have stayed longer; hope all is going well for her family. We were happy to be of service to you through the use of our public Internet computer stations and hope your stay in the Ness City area was enjoyable.

Your experiences and dedication to this project is commendable and we hope any future endeavors are as successful as well. Thanks again for sharing your adventures with us.

Sincerely

  
Jean Schlegel, Director
