Dear Cesar,

Thank you so much for the wonderful presentation that you gave at the Museum last week. Your tales of Jerome enthralled the audience and reached the heart of Florida history. Terri and I agreed - it was the most successful events that the Museum has had.

I hope that you have received your check for bus fare by now. I am enclosing the picture by the Museum sign and a small article on Wolfie's. Unluckily, this was all that our archivist could find. She did say, however, that Wolfie's started in Miami and then expanded here. She was not sure if there were any other Wolfie's in the state. If you need any further information from us on any subject, please do not hesitate to call. I look forward to receiving the World War II map from you.

Thank you again for all that you have done for us. It has been a pleasure working with you and I hope that we are able to have you speak again at our Museum soon.

Sincerely,

Dawn Blasberg
