

4/28/06

Dear Cesar,

I wanted to send you a copy of that famous photo! Also, the kids wanted to thank you again for showing us all a great time.

They can't stop talking about all the "cool stuff" we saw and did.

I called Mary at EFT and told her we just have to have you and Bruce again next year!

Hope you're doing well and that we'll see you soon!

Arlene
